## **Saving The Virginia Big Eared Bats (Abstract and Video Link Only)**

By: **Dr. Elizabeth Davison**

### **Abstract**

A multi-agency effort to save an endangered species of bats. In the high country of North Carolina, a planned highway widening project and an old mystery sets the stage for this short film about discovery and survival. Video Access Link: <https://vimeo.com/321050970>

**Davison, E.** (2020). Saving the Virginia Big Eared Bats (Abstract and Video Link Only). RECAP 2020, The Office of Research. Appalachian State University, Boone, NC. Video access at: <https://vimeo.com/321050970>
