WHY RENOVATE THE LIVERMORE LIBRARY?

- Need for study/collaborative space for students
- Change of atmosphere/enhanced student experience
- Bringing modern features into the university library
- Make the Library more inviting
- Short term fix for long-term space issues
- More effective use of existing space

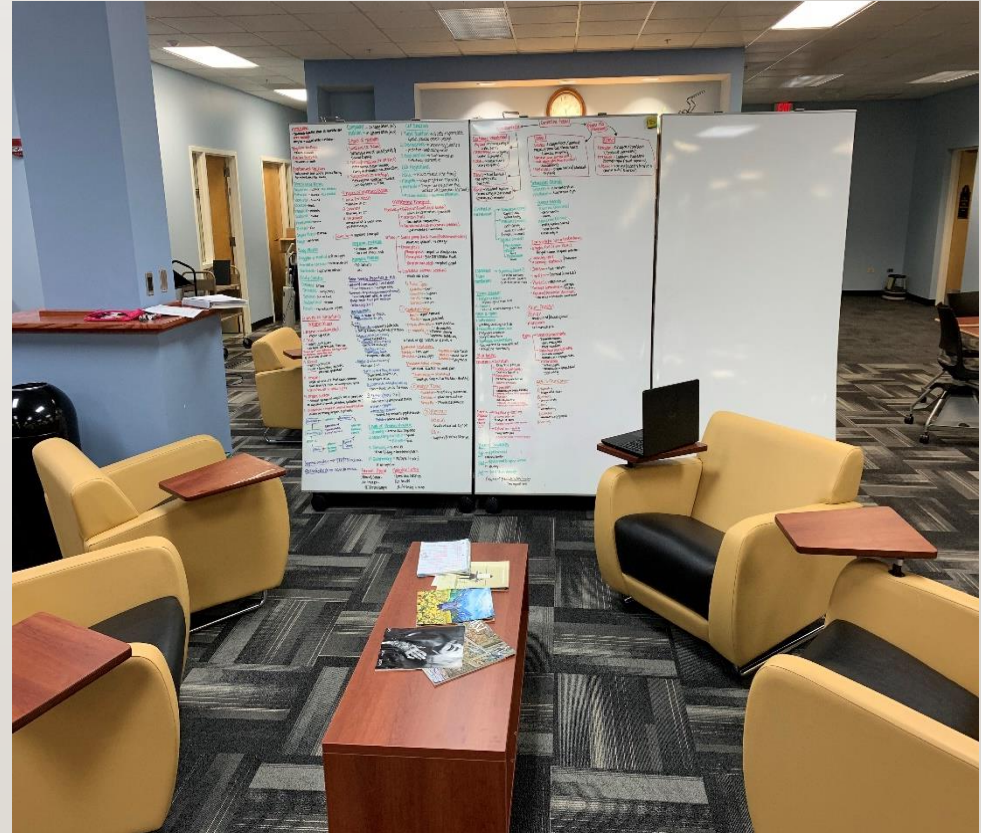

THIS IS NOW... CAFÉ 641

- UNCP students named “Café 641”
- Another “quick snack” option on campus
- Sample menu items (waffles, smoothies, coffee, soup, salad, sandwiches, etc.)
- Convenient hours
- Café 641 opened August 2018

MOVEABLE WHITEBOARDS

- Students use boards for math/science formulas, etc.
- Whiteboards have clamps on them so you can put several individual whiteboards together (if needed) for assignments (pictured)
- Dry erase markers/erasers checked out @ Circulation Desk
- Faculty use whiteboards in Library for class group assignments

CISCO WEBEX HUDDLE SPACES

- Installed Summer 2018
- Students can share/work with small groups in collaborative setting
- Convenient for students (particularly when studying for exams)
- Some faculty bring over classes to work on group assignments using the huddle spaces

EXERCISE BIKES

- Installed August 2018
- 4 total
- Moveable (on wheels)
- Offer a “stress break” for students
- Close proximity of whiteboards enable working and biking

WEPA PRINT KIOSKS

- Helpful User Guide (<https://wepanow.com/user-guide>)
- Official name of the print program is Braves Print
- What is WEPA? Wireless Everywhere Print Anewhere
- Students can print for a fee from the Web, USB drive, smartphone or any computer
- WEPA kiosks at several locations on campus including the Livermore Library

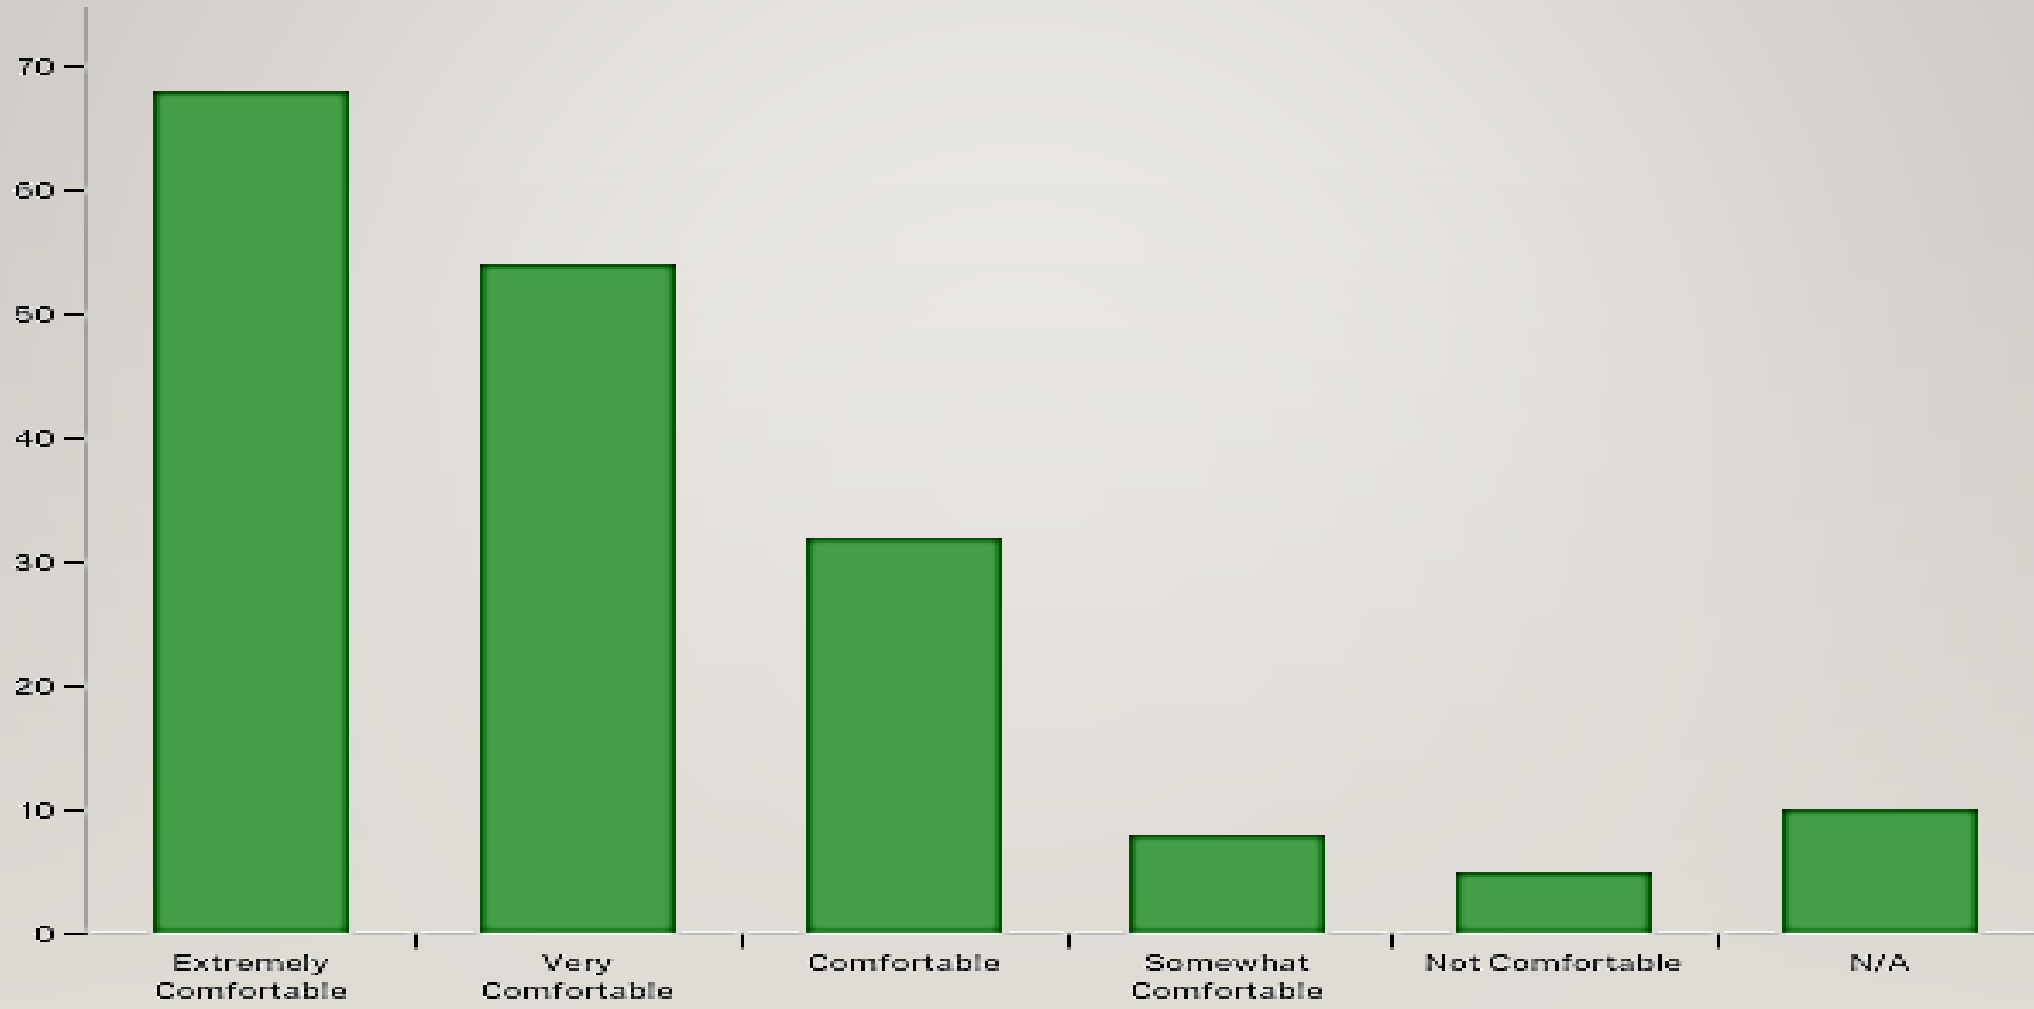

WHAT HAVE BEEN SOME OF THE OTHER RECENT RENOVATIONS AT THE LIBRARY?

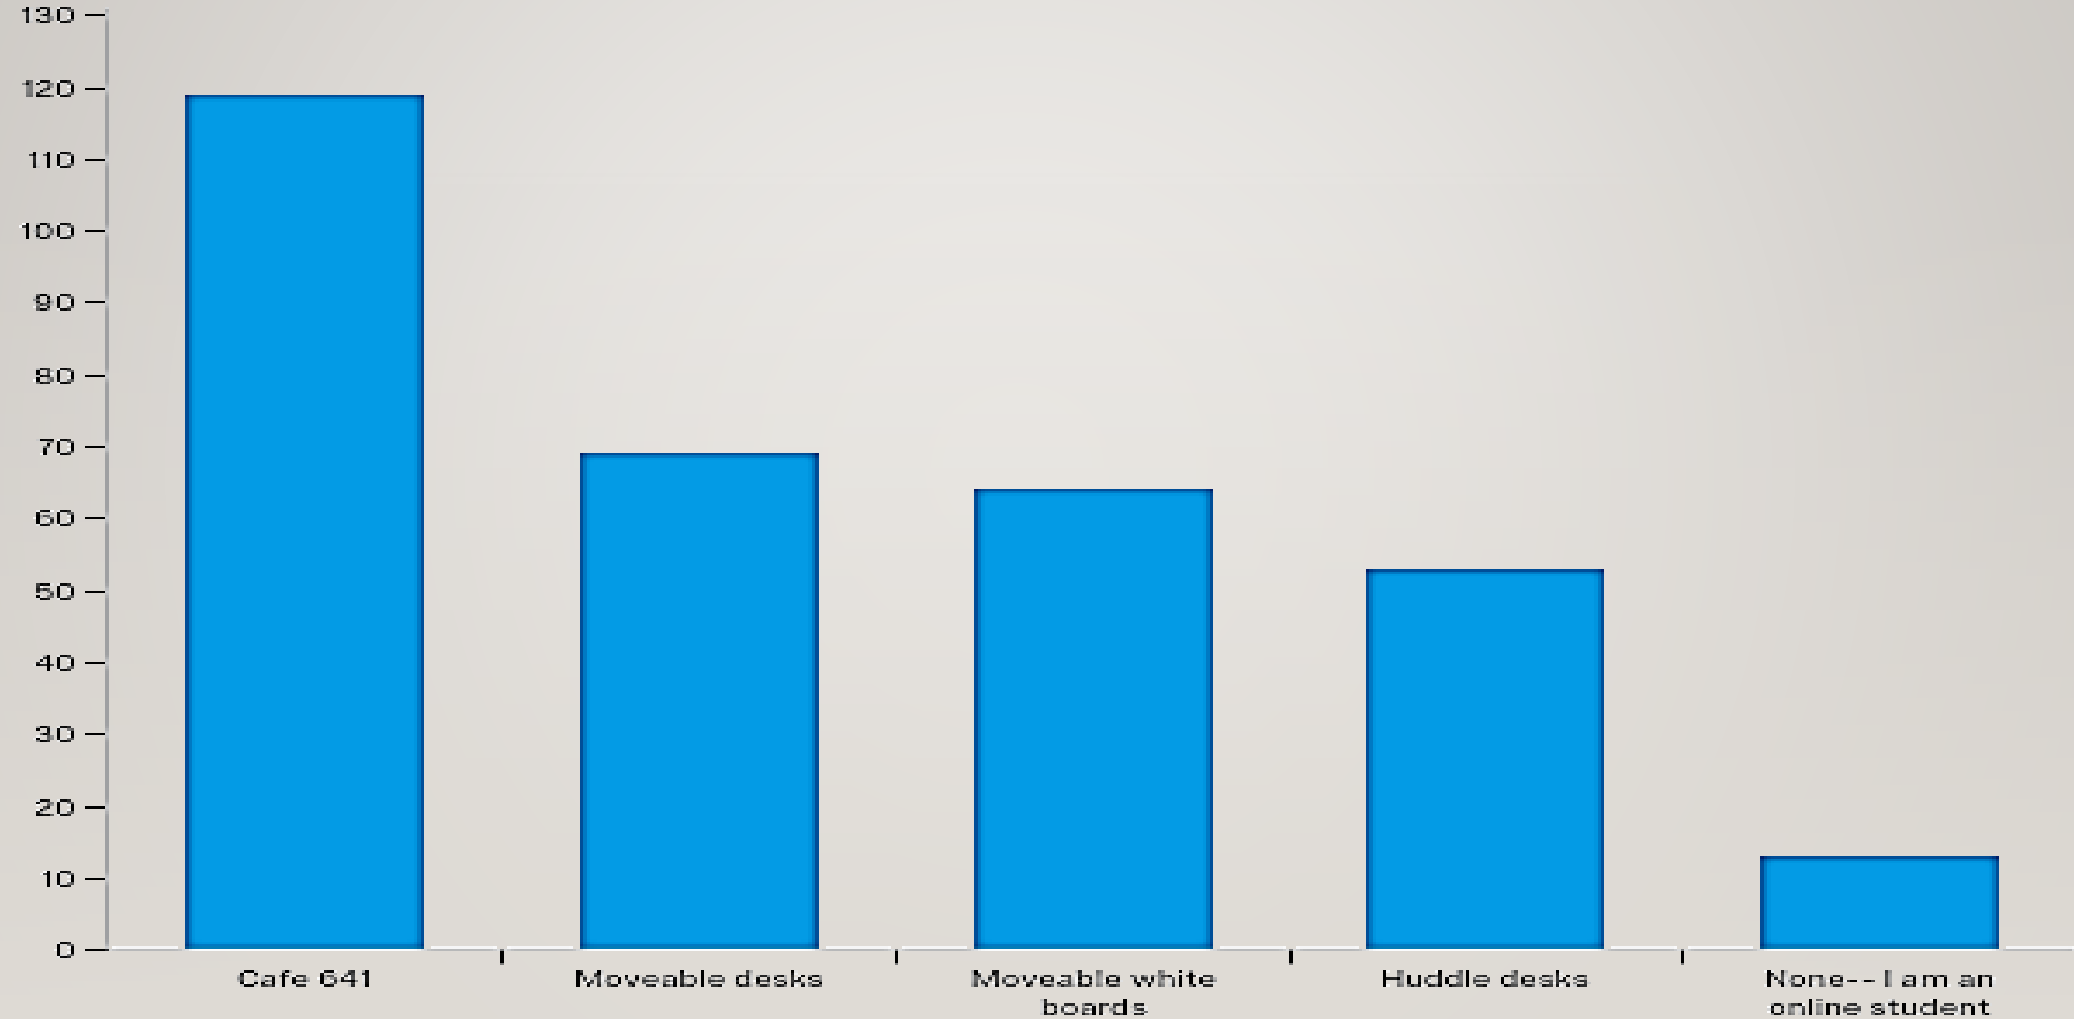

HOW DO PATRONS LIKE THE NEW LIBRARY RENOVATIONS?

Question: How comfortable do you find the physical facilities of the Library?

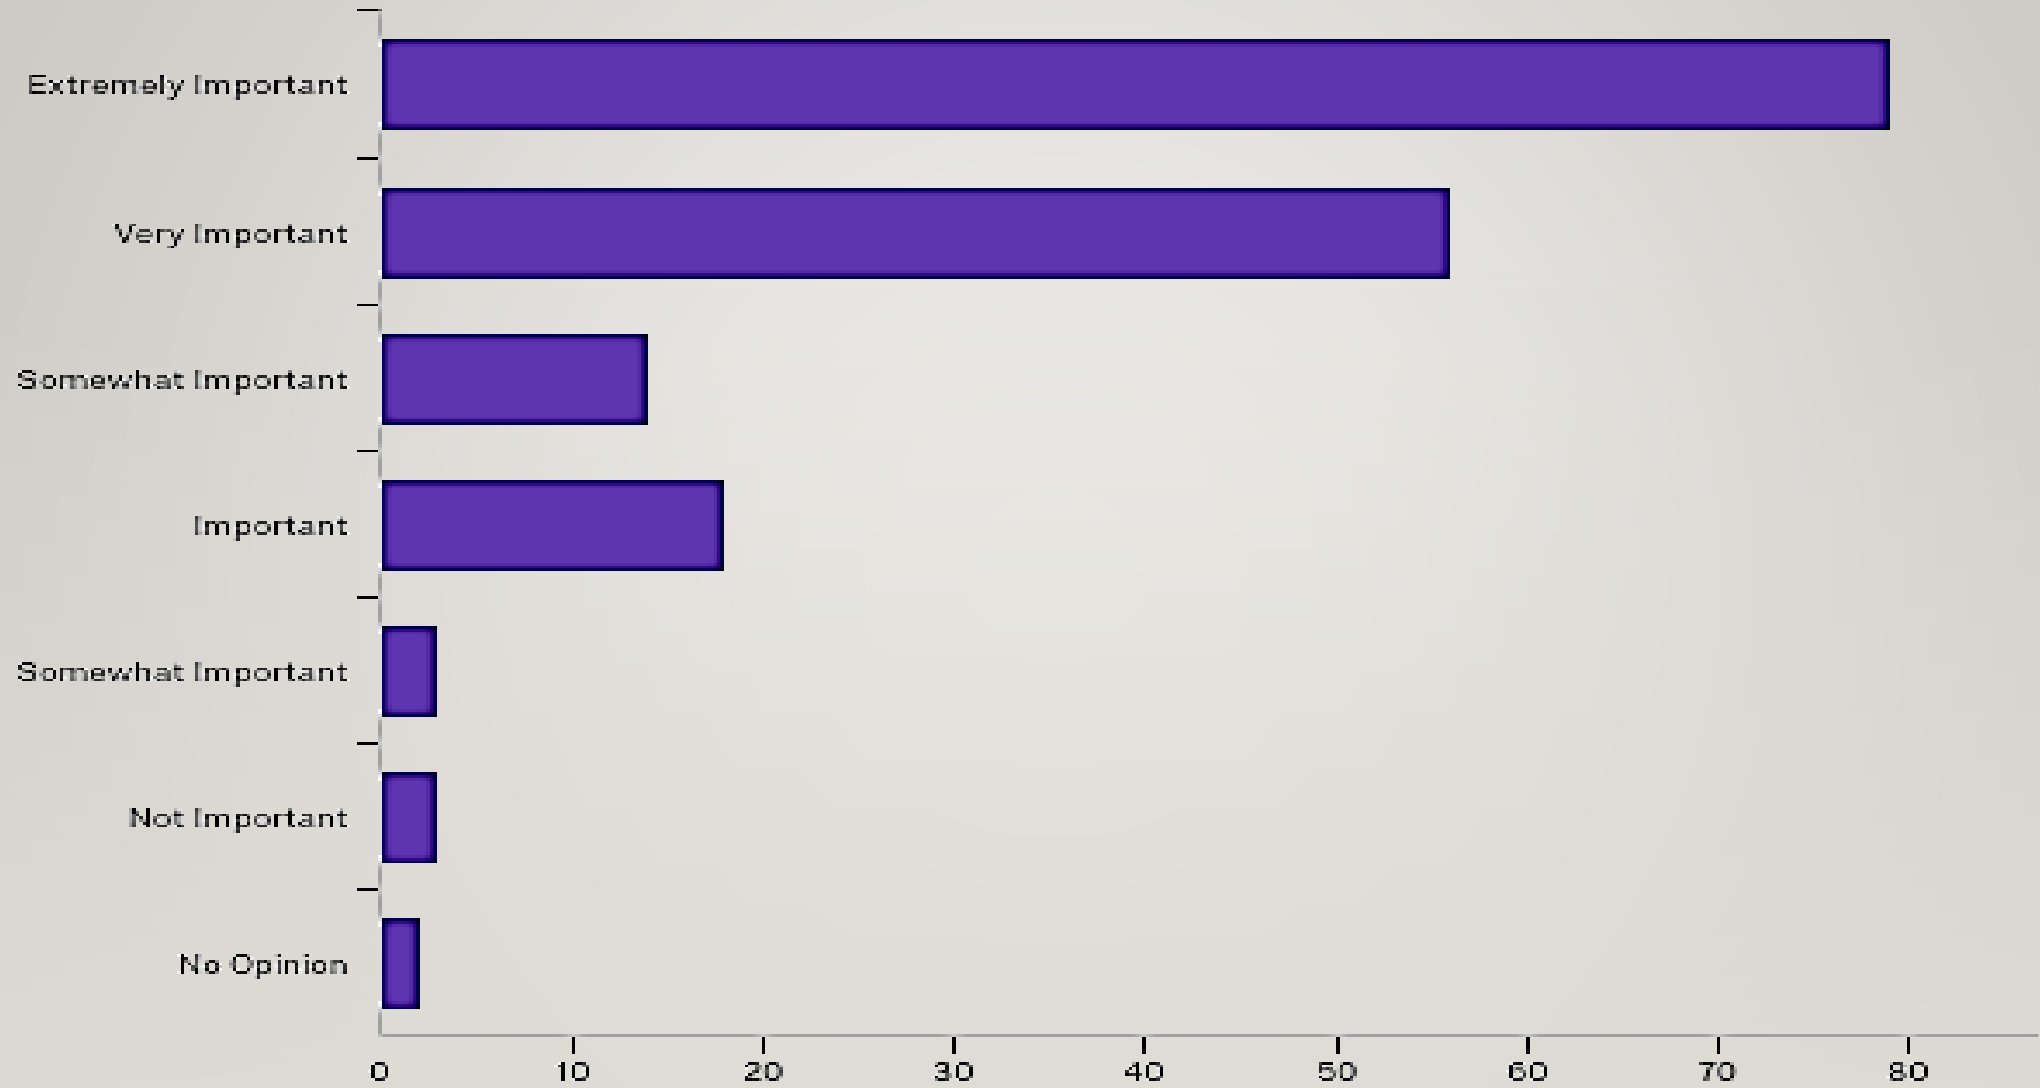

Which of the following new Library features have you used?

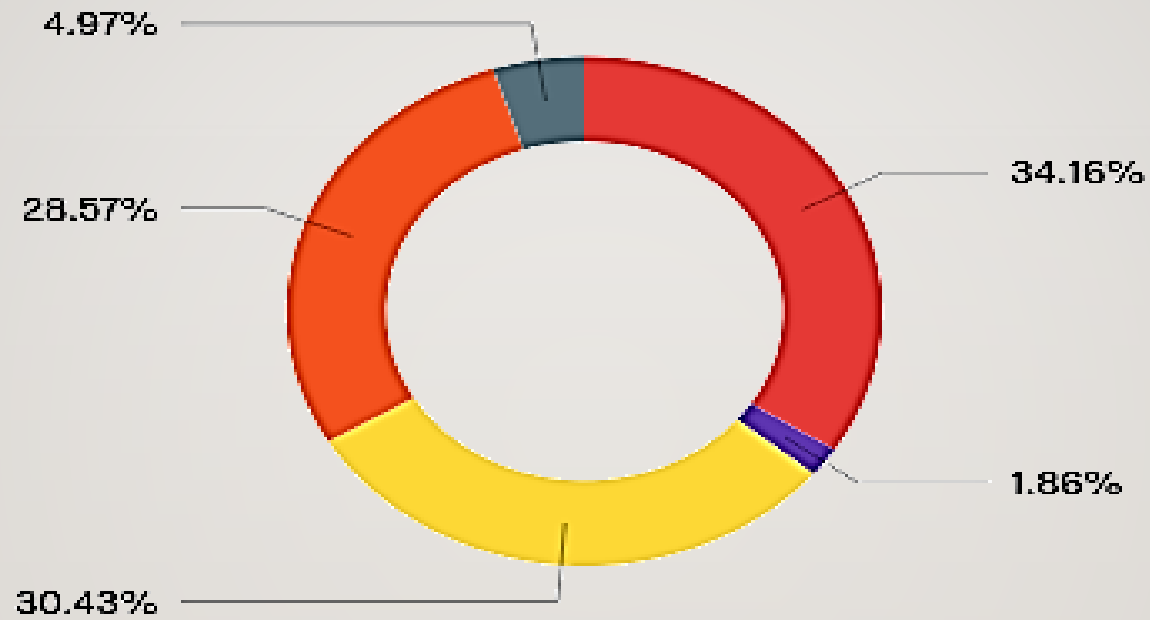

NLW SURVEY QUESTION: “COMPLETE THIS SENTENCE. WHEN I THINK OF THE LIVERMORE LIBRARY I THINK OF...”
