

APPENDICES TABLE OF CONTENTS

Appendix	Page
A. Continuous System 1: Synthetic Bangladesh Groundwater contaminated with Fe (II).....	69
B. Continuous System 2: Synthetic Bangladesh Groundwater contaminated with As (III).....	81
C. Continuous System 3: Synthetic Bangladesh Groundwater contaminated with As (V).....	93
D. Continuous System 4: Synthetic Bangladesh Groundwater contaminated with Fe (II) and As (III).....	107
E. Continuous System 5: Synthetic Bangladesh Groundwater contaminated with Fe (II) and As (V).....	118
F. Continuous System 6: Synthetic Bangladesh Groundwater contaminated with As (III) and As (V).....	129
G. Continuous System 7: Synthetic Bangladesh Groundwater contaminated with Fe (II), As (III), and As (V).....	140
H. Continuous System 8: Synthetic Bangladesh Groundwater contaminated with Fe (II), As (III), As (V) and specialty adsorbent.....	149
I. Continuous System 9: Synthetic Bangladesh Groundwater	161
J. Continuous System 10: Deionized Water	172
K. Static Mode Sample Graphs.....	184
L. Rate Constant Graphs for Continuous Systems	195
M. Rate Constant Graphs for Static Mode	206
