

APPENDIX A

Chairperson Survey

Hello,

My name is Patricia Smith and I'm the Assistant Principal at Parkwood Elementary. I am currently working on a thesis at UNCW and Mrs. Oakes has been gracious enough to allow me to survey the Special Needs Chairpersons for some essential data. Please answer the following questions then return this sheet to me at Parkwood via interoffice mail as soon as possible. For taking time out of your busy schedule to complete the survey I am enclosing a little "goodie". Thanks again.

Patricia Smith
