UNIVERSITY

2020 FACULTY SCHOLARSHIP CELEBRATION

Western Carolina University holds a proud tradition of acknowledging and celebrating our faculty's scholarship and artistic works. 2020 marks the 31st year of this celebration and the 33rd year of the Hunter Scholar Award. This is also the 5th year of recognizing the university's grant writers.

This year we are featuring works of 333 scholars in this bibliography. These scholarly works include articles, books and book chapters, poster presentations, works of art and literature, musical performances, presentations and much more. This document is a general representation of faculty scholarship at Western Carolina University and will not be considered in the tenure and promotion process as a comprehensive reflection of faculty accomplishments. Due to the overwhelming number of scholarly works submitted, we have limited our list to five scholarly works for each faculty member.

It is our goal that our academic community will be inspired by the many ways in which WCU's faculty express their creativity and contribute to human knowledge.

Sponsors of the 2020 Faculty Scholarship Recognition Celebration event are the Graduate School and Office of Research, Hunter Library, the Office of Undergraduate Studies, Honors' College, Office of the Provost, and Office of the Chancellor. Many thanks go to the members of the Faculty Scholarship Celebration committee: Dr. Brian Kloepfel, Dr. Carol Burton, Dr. Farzaneh Razzaghi, Dr. Jill Granger, Dr. Brandon Schwab, Alison Krauss, Roxane Stiles, and Carol Hicks. Many thanks to the Hunter Scholar Award selection committee: Sarah Steiner, Dr. Sloan Despeaux, Dr. Melissa Snyder, and Dr. Scott Rader.

Special thanks to Heidi Buchanan, Graduate assistant Aria Ashburn, and Beth McDonough for their amazing work on compiling the bibliography and Scottie Kapel for creating the PowerPoint presentation.

I would also like to thank the contribution of the Hunter Library Exhibits/Marketing Committee: Shamella Cromartie, Heidi Buchanan, Scottie Kapel, Beth McDonough, Erica Barnett, and Emily Calderon for planning and preparing the exhibit. The reception was generously supported by the Office of the Chancellor and The Graduate School and Office of Research.
