

Faculty Scholarship Celebration

February 15-20
2010

Western
Carolina
UNIVERSITY

HUNTER LIBRARY

This year is the 21st consecutive year that Hunter Library will showcase faculty scholarly works through an annual exhibition. Every year, more and more people bring their works to the library, allowing us to celebrate their achievement and to share their scholarly contributions with the whole campus.

This year's exhibit showcases faculty achievements during 2009 and demonstrates the depth, strength and overall excellence of our faculty's contributions to human knowledge and understanding, as well as their keen desire to share these intellectual gifts with others.

It is hoped that the exhibit will continue to awe, to awaken, and to inspire, and keep the light of truth burning in us all.

A WORD OF THANKS

This event is sponsored by the Graduate School and Office of Research, Hunter Library, the Honors College, and the Office for Undergraduate Studies.

This event would not have been possible without the support and help of many. ...

For starters, thank you to the members of the Hunter Display Committee - Elizabeth Marcus, Serenity Richards, Susan Metcalf and Betsy Clementson. To Rachel Bleich and Anna Fariello for helping us compile all of the entries. To my colleagues on the Faculty Scholarship Celebration Week Committee - Scott Higgins, Michelle Hargis, Dana Sally, Carol Burton, Brian Railsback, Jason Solomon, and Anna McFadden for coordinating the event.
