

Faculty Scholarship Celebration

2013

Western
Carolina
UNIVERSITY

This year is the 24th consecutive year that Hunter Library will showcase faculty scholarly works through an annual exhibition. Every year, more and more people bring their works to the library, allowing us to celebrate their achievement and to share their scholarly contributions with the whole campus.

This year's exhibit showcases faculty achievements during 2012 and demonstrates the depth, strength, and overall excellence of our faculty's contributions to human knowledge and understanding, as well as their keen desire to share these intellectual gifts with others.

It is hoped that the exhibit will continue to awe, to awaken, to inspire, and to keep the light of truth burning in us all.

A WORD OF THANKS

This event is sponsored by the Graduate School and Office of Research, Hunter Library, The Honors College, the Office of Undergraduate Studies, and the Coulter Faculty Commons.

The event would not be possible without the leadership of the Faculty Scholarship Celebration Week committee—Mimi Fenton, Betsy Clementson, Dana Sally, Carol Burton, Brian Railsback, Laura Cruz, and Andrew Adams. We are also grateful to the Hunter Library Display Committee for all of their hard work. The reception was graciously supported by The Honors College, the Graduate School and Office of Research, and the Hunter Library. Thanks to The Office of Undergraduate Studies, the celebration was advertised around campus. Special thanks to Mary Ramey, Kristina Hargett, and Katana Lemelin for their work on this publication.
